

# *Hello Neighbors!*

**From:  
Westhills Homeowners Association**

**Welcome To Westhills  
Updated January – 2021**

Westhills was named by the builder and started construction in 1966. It received the official designation Westhills from the Los Angeles County Board of Supervisors in April 1973. We are an unincorporated community in LA County. Our community's name is Westhills (one word) instead of West Hills (two words) which, in 1987, was split off from Canoga Park in LA City. The Westhills area consists of the condos at the corner of Vanowen and Valley Circle, N. Corie Lane and the 175 homes from Julie Lane to Randiwood Lane between Kittridge Street and Welby Way. It is the 175 homes that are represented by the Westhills Homeowners Association, incorporated as a non-profit social organization in 1978.

WHA maintains two sites for information about our community.

- 1) Westhills Website <http://www.westhills91307.org>
- 2) Facebook Group <https://www.facebook.com/groups/1029528257418609>

We are serviced by LA County Sheriff in Agoura, CHP in Woodland Hills, LA County Fire in Calabasas, a private garbage service from Waste Management, electricity from Southern California Edison, water from the Las Virgenes Municipal Water District and our schools are in the Las Virgenes Unified School District.

Covenants, Conditions & Restrictions (CC&R's), created by the builder is attached to the deed of each property and may be found in its entirety on the website.
